## NOTICE OF POSSIBLE RELATED CASES

UNITED STATES OF AMERICA,

Plaintiff,

V.

TRUC QUOC LE, et al.,

## Defendants.

17 On June 30, 2008 at the initial status conference before the undersigned in case # CR-08-  
18 00402, the Government stated that the above cases might be considered related. Although none of  
19 the parties intend to file a notice of related case, the court notifies Judge Fogel, who has the lower  
20 numbered case, of the Government's advice so that he can determine whether he wants to relate the  
21 cases. Defendants advised that if the court is going to consider relating the cases, they want an  
22 opportunity to be heard on the issue.

23 The undersigned has not reviewed the cases and, therefore, expresses no opinion on whether  
24 they are related.
